IN MEMORIAM

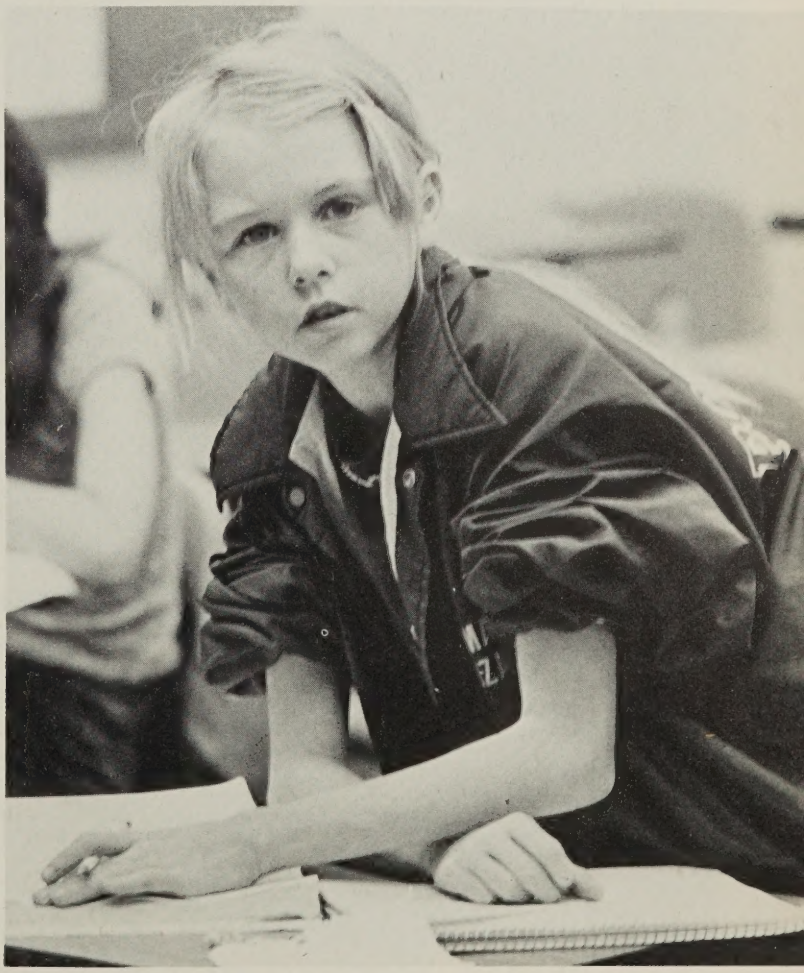

CHARLES ANDERSON

And a youth said, Speak to us of Friendship
And he answered, saying:
Your friend is your needs answered.
He is your field which you sow with love
and reap with thanksgiving.
And he is your board and your fireside.
For you come to him with your hunger
and you seek him for peace. . . .
When you part from your friend, you grieve not;
For that which you love most in him may be clearer in his absence, as the mountain to the climber is clearer from the plain.

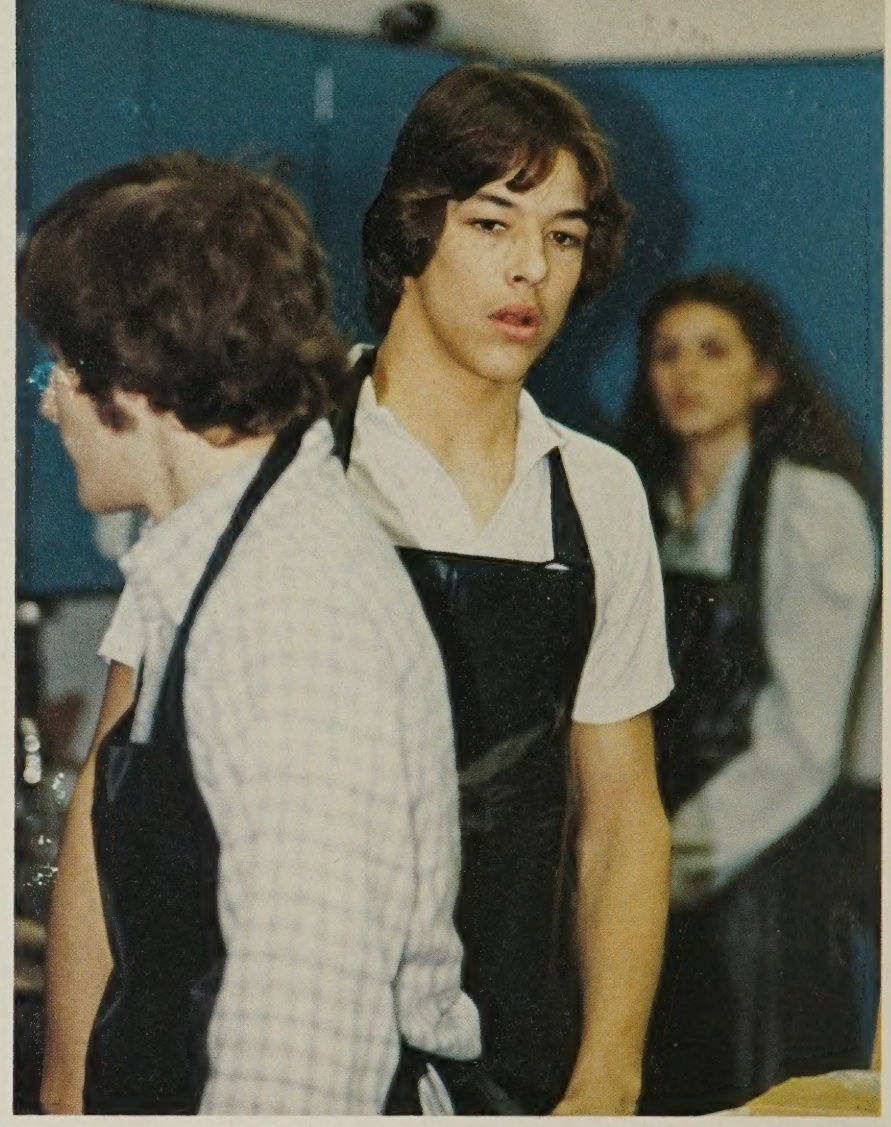

Kahil Gibran
The Prophet

Sometimes You Are Just A Face In The Crowd
And Sometimes You Are **The** Face In The Crowd

And In The Sweetness Of Friendship Let There Be Laughter And The Sharing Of Pleasures

"Pooh On The Tigers, Lets Winnie" was the theme for the second place winners.

Cindy Holloway and Wayne Evans walks through the flags.

The Color Guard stands at attention while the National Anthem plays.

During the halftime show, the Pom Pom girls show their style.

Parading off the field is the Poquoson High School Band.

HOMECOMING 1979

Donald Mitchell and Rhonda Wheless parade down the field.

With most of Bull Island filling the stands, the football game against Sussex Central began. The teams clashed in a competition of strategy and strength. Excitement filled the air; crowds cheered, yelled, and groaned as the football either crossed the goal line or stopped short.

Half time entertainment was a panorama of fantasy. *Comic Strip Characters* was the Homecoming theme. Linus, Charlie Brown, Winnie the Pooh and Garfield the Cat, all atop class floats, were present to add to the gaiety. The Sophomore Class float captured first place with the Juniors taking second.

Mr. Tim Smith led his award-winning marching band in an entertaining combination of music and formations of flags, pom-poms and marchers. The kaleidoscope of color and movement served as the perfect setting for the announcement of the 1979 Homecoming Queen. Ciny Holloway was crowned as thundersous applause resounded from the grandstands.

The whirlwind of the evening continued even as half time ended and Cindy took her place to watch the game's second half. The Islanders fought courageously in both the third and fourth quarters. The final score, however, fell in favor of the opposition.

Homecoming continued on into the weekend with the traditional Homecoming Dance, sponsored by the National Honor Society. The sounds of disco, rock 'n roll and ballads filled the night air, adding a finishing touch to the magic of Homecoming.

The Sophomore Class float, Charlie Brown, captured first place.

Karen Brodsky, the Sophomore Represenative and her escort, Charles Fulnecky waits for the final announcement.

"Put Up Your Dukes And Fight" was the theme for the Freshmen float.

Giving her best shot for the Homecoming halftime, Donna Silver twirls her baton.

Here stands the pick of the crop!

Rhonda Wheless is all dressed up for Sadie Hawkins Day.

Kenny Forrest and Donna Silver discuss plans for the dance.

Tony Whitlow waits patiently for Cathy Fulnecky to pin her "heart".

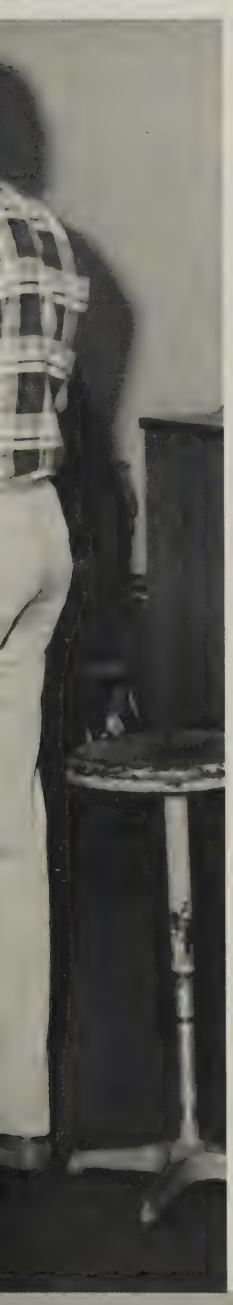

Cecil Miller gets snagged by Karen Roberts.

"81's" CLASS

Junior class sponsor Mrs. Leavitt summed up the Junior class by saying that they are a "Hard working fun-loving group." "And of course" she added, "they are also #1." Her enthusiasm and spirit must have been contagious because the Junior class kept busy throughout the year. Among their accomplishments were sponsoring four of the most popular dances of 1980.

These dances were the 50's Dance, Sadie Hawkins Dance, and their very own Ring Dance.

One of the most memorable experiences for the Juniors was preparing for and attending the Junior-Senior Prom. A lot of hard work and extra effort were put into making the 1980 Prom the best yet.

ADMINISTRATORS

Dr. Roy Vorhauer

Mr. Chris Woolley

The 1979-80 school year ran smoothly and efficiently. This was due in part to the efforts of Dr. Roy Vorhauer. Principal of P.H.S. for three years, Dr. "V" can be found just about any where in the school. It isn't uncommon to have to search around a while in order to find him as he works with students, parents and faculty in administering the workings of the school. He always makes time in his schedule to stop and talk, help with a problem or share a laugh.

Working with Dr. Vorhauer were three assistant principals. Mr. Olen Evans is a well known face at P.H.S. He taught P.E. for 12 years before becoming an assistant principal. His duties include discipline and he is Athletic Director and Head Football Coach.

Too soon to leave us was Mr. Chris Woolley. Mr. Woolley came to Poquoson High in 1977 as assistant principal. Among other things he worked tiredlessly on curriculum, teacher evaluations and social programming. Mr. Woolley left with the well-wishes of all, in Nov., for a new position in New Jersey.

Taking Mr. Woolley's place temporarily was Mrs. Marie Dryden. As head of the Guidance Department, Mrs. Dryden easily stepped into her new "role". She will return to her guidance office at the end of the 1979-80 school year. Her efforts and hard work were a great benefit to all.

As everyone knows, teachers are the very backbone of any educational institution. The teachers of Poquoson High School are one of the finest groups of teachers around.

Their greatest asset is their ability to understand. Evidence of their knowledge, caring and dedication is seen every day as they meet the needs of all the students. Over and above the seven hours a day allotted for the educational process, the following individuals contribute time, energy and a lot of "TLC" to clubs, athletic events, tutorial assistance and community projects. Their efforts help organize the more than eight hundred students into a well educated, spirited and proud unit.

"Conrad Birdie" wows them at the steps of City Hall.

Try-outs were held in early January. Rehearsals started the following week. And for three months the cast and crew of "Bye-Bye Birdie" worked to prepare for this years spring extravaganza.

Mr. Rollins directed the singing portion of the show. Much of the show's success was due to his zeal. While Mr. Rollins coached his singers, Mr. Smith rehearsed the band, which not only accompanied the singers in all the musical numbers, but also provided music during scene changes and intermissions. Mrs. Vernall and Mrs. Harding were in charge of choreography and Mrs. Vandervort was in charge of the "drama" of the play.

One week before opening night, the singers, dancers, actors and band put the show together under the direction of Mrs. Vandervort. The play, carried by seniors Brian Cartwright, Beth Brown. Tom Mooney, Henry Ayer, Rita Goode, Jim Mc Bride and Heide Miller was as exciting success. The audience was left humming a little tune not easily forgotten, "We love you Conrad, oh yes we do . . . "

50's DAY

Once a year Poquoson commemorates the past by reviving the fashion and characteristics of a particular time. And as tradition dictates, every year we've had a 50's Day. It is when walking through the halls is like setting foot on a "Happy Days" or "American Grafitti".

The hems are dropped, the socks bobbied and the hair greased. Ultimately all this, is in preparation for the 50's Day Dance, when the school "be-bopps" and twists" the night away.

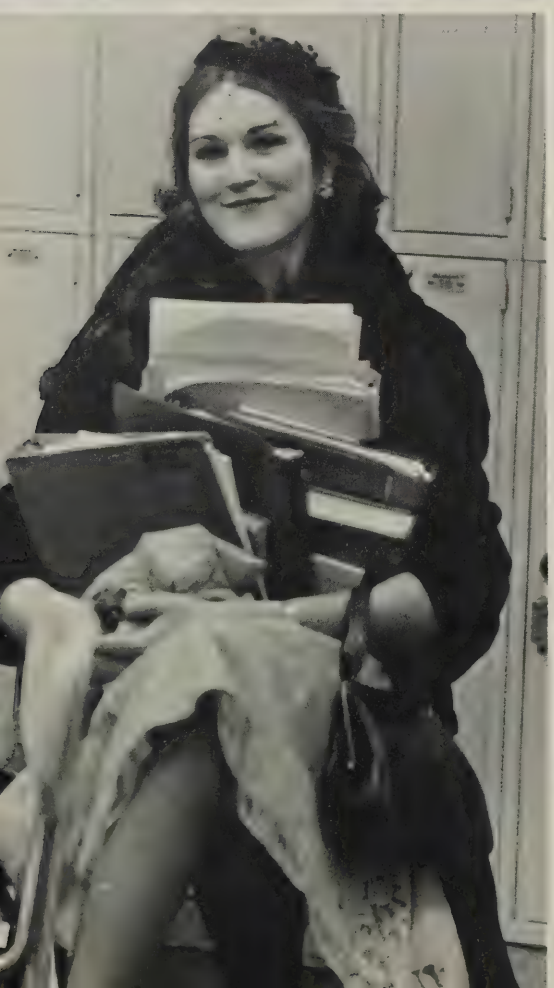

This years 50's dance contest winners were Henry Ayer and Heidi Nill. Second place went to Scott Sullivan and Cindy Holloway. In the dress contest, Sissy Wright and Clint Owens won first place in the first lunch while Sarah Watson and Billy Wescott won in the second lunch. Eric Zidenberg won the bubble gum blowing contest.

The Cross Country team has done well in its second year of competition. It is an event which pushes each individual runner to his or her highest ability and endurance.

The team, although only in its second year, placed 2nd in District and 4th in Regional. The 4th place qualified the team to send its best performers on to State. These standouts included Captain John Goodwin, Ron Goodwin, David Schuster, John Duane, Arthur Bell, Ken Seaburg, and Steve Pombo.

Coach Forrest comments, "This year we had a very good team of young athletes. The team has done better than I thought and we had some really good runners."

"State Champs"

Quarterback George Yeager talks on the sidelines.

Dedication, in a word, would describe the Islanders. The football team showed constant determination throughout the season. This desire to win never faltered and the team spirit they possessed never dimmed.

Determination was not the only element involved. The teams powerful front line, speedy runners and expert maneuvers. This winning combination thrilled the spectators.

In summing up the season Coach Evans said; "The team was very strong all season. We always played two weeks behind, as though we would peak just at district time.

WINNING SEASON

J.V. GBBT

LADY ISLANDERS

Patsy Keating runs for the ball.

It's not hard to figure out why our "GBBT" is a winning team. It's their skill, hard work, spirit and determination.

Long before the rest of the student body returned to school in September, the girls were hard at work preparing for their 1979 season. All that hard work paid off, as the team was District Champ for the ninth straight year; playing all the way to the Regional Semi-Finals. Wendy Laxton and Anne Goodson were named to the All District first team, Patsy Keating, Theresa Firman and Sarah Watson to the second team, and Mary K. Messick received honorable mention.

Coach Dave Nelson feels "we had a very satisfying season . . . the team was young and the future looks bright."

With a season record of 22-3, the girls don't have far to go for a bright future.

Mary Kay Messick stretches for the rebound.

The Lady Islanders give a shout for victory.
